## 2025

# welcome

## **MODERN NIFAL TRADING**

At MNT, we believe in momentum, network, and trust—the three pillars that define our success and the value we deliver to our clients. We are a leading trading and supply company specializing in industrial, commercial, & safety equipment, providing end-to-end solutions for business across multiple sectors, including oil & gas, construction, marine, and manufacturing.

# TABLE OF CONTACT

**ABOUT US**

**VISION**

**MISSION**

**MAJOR CUSTOMERS**

**OUR PRODUCTS**

**Safety & Firefighting Equipment**

**Electrical, Instrumentation & Automation**

**Mechanical, Power Transmission & Fluid Handling**

**Construction, Industrial & Marine Steel Supply**

**Heavy Equipment, Tools & Machinery**

**Security, Surveillance & Road Safety Solutions**

**Marine, Oil & Gas Industry Equipment**

**Facility, Industrial Maintenance & General Supplies**

# ABOUT US

At the heart of MNT is a customer-first mindset. We don't just supply products; we build partnerships based on trust, reliability, and long-term success. With a deep understanding of market needs and a proactive approach to industry demands, we continue to set new standards in the supply and distribution sector.

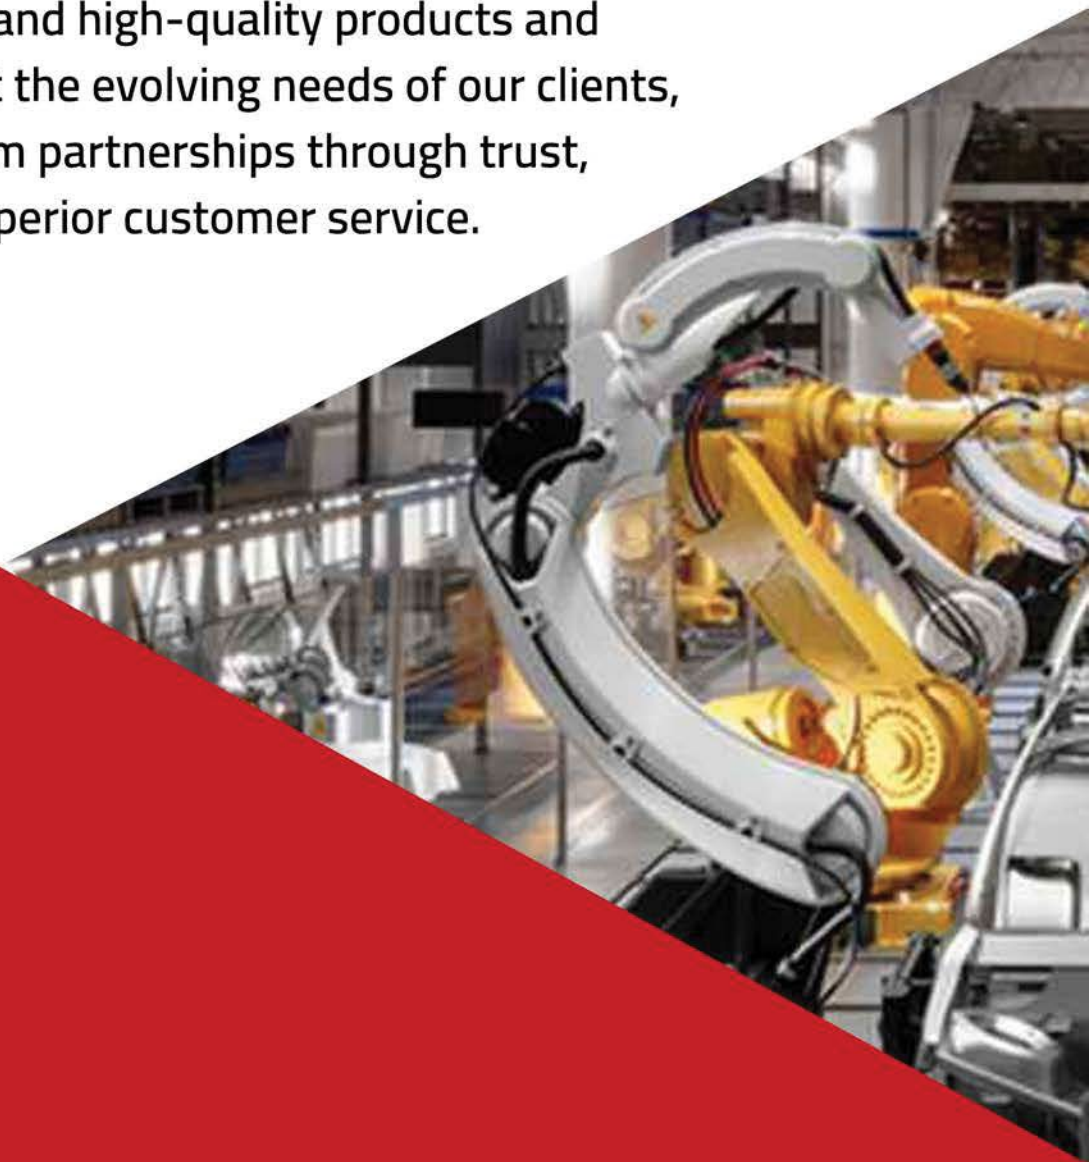

# VISION

To be a leading provider of industrial and project supplies, recognized for our commitment to quality, innovation, and customer satisfaction, while contributing to the growth of industries worldwide.

# MISSION

To deliver reliable and high-quality products and services that meet the evolving needs of our clients, fostering long-term partnerships through trust, excellence, and superior customer service.

TRADING**

# Safety & Firefighting Equipment

**Safety is the foundation of all industrial operations, so it should be listed first.**

- ✓ PPE (Personal Protective Equipment) – Helmets, gloves, coveralls, safety boots, goggles, face shields, ear protection.
- ✓ Respiratory Protection – SCBA, N95 masks, full-face respirators, gas masks.  
Fall Protection & Worksite Safety – Harnesses, lanyards, retractable lifelines, confined space kits.
- ✓ Firefighting Equipment – Fire extinguishers, hydrants, hoses, fire blankets, suppression systems.
- ✓ Gas Detection & Monitoring – Portable & fixed gas detectors, leak detection, O<sub>2</sub> monitors.
- ✓ Fire Alarm & Emergency Systems – Smoke & heat detectors, fire alarm panels, sirens, exit signs.
- ✓ Spill Containment & First Aid – Spill kits, absorbent pads, emergency showers, eyewash stations.

# Electrical, Instrumentation & Automation

**Electrical & automation systems are core components of industrial operations**

- ✓ Cables & Wiring Solutions – LV, MV, HV cables, armored cables, fiber optic cables, control cables.
- ✓ Power Distribution Components – Circuit breakers, transformers, relays, contactors, enclosures.
- ✓ Industrial Sensors & Monitoring – Temperature, pressure, flow, proximity, vibration sensors.
- ✓ Automation & Control – PLCs, SCADA systems, HMIs, remote monitoring.
- ✓ Explosion-Proof Electrical Components – EX-rated panels, flameproof lighting, intrinsically safe devices.
- ✓ Battery & Backup Power – UPS, VRLA batteries, inverters, power stabilizers.

TRADING**

## **Mechanical, Power Transmission & Fluid Handling**

**Mechanical & transmission components are vital for industrial and heavy machinery operations**

- ✓ Bearings & Bushings – Ball, roller, thrust bearings, sleeve bushings.
- ✓ Gears, Couplings & Drive Systems – Spur gears, worm gears, timing belts, pulleys, flexible couplings.
- ✓ Seals & Gaskets – O-rings, oil seals, PTFE gaskets, spiral wound gaskets.
- ✓ Hydraulic & Pneumatic Systems – Cylinders, actuators, compressors, regulators, hoses.
- ✓ Pumps & Fluid Handling – Centrifugal, diaphragm, submersible, gear pumps.
- ✓ Valves & Actuators – Ball, gate, solenoid, butterfly, control valves.

Water Heaters & Boilers

Sanitary Ware & Fixtures

# Heavy Equipment, Tools & Machinery

**Industrial sites rely on tools, lifting equipment, and machinery for operations**

- ✓ Lifting & Rigging Equipment – Hoists, wire ropes, slings, shackles, load binders.
- ✓ Power & Hand Tools – Torque wrenches, cutting saws, grinders, drills.
- ✓ Welding & Cutting Equipment – MIG/TIG welders, electrodes, gas cutting torches.
- ✓ HVAC & Refrigeration – Industrial A/C units, chillers, heat exchangers.
- ✓ Compressors & Vacuum Systems – Reciprocating compressors, screw compressors, air dryers

# **Construction, Industrial & Marine Steel Supply**

**Structural and marine steel plays a major role in industrial construction and offshore projects**

- ✔ Structural Steel – I-Beams, H-Beams, channels, angle irons, reinforced steel bars.
- ✔ Steel Sheets & Plates – Hot-rolled, cold-rolled, galvanized, stainless steel, aluminum sheets.
- ✔ Pipes & Tubes – Carbon steel, stainless steel, HDPE, PVC, seamless & welded pipes.
- ✔ Fasteners & Fixings – Bolts, nuts, screws, anchors, rivets, high-tensile fasteners.
- ✔ Steel Coils & Strips – Galvanized, stainless steel, carbon steel, aluminum coils.
- ✔ Marine-Grade Steel – Corrosion-resistant shipbuilding plates, offshore platform steel.

# LOTO, Security, General Safety & Road Safety

- ✔ Signage & Labeling Solutions – Engraved plates, industrial barcodes, safety signs.
- ✔ CCTVs & Access Control & Security Systems – Biometric readers, RFID, turnstiles, card readers.
- ✔ Fire & Intrusion Alarms – Burglar alarms, smoke detectors, emergency alarms.
- ✔ Traffic & Road Safety Products – Traffic cones, bollards, speed humps, solar traffic lights.
- ✔ Lockout/Tagout (LOTO) Equipment – Safety padlocks, circuit breaker locks, valve lockouts.

# Marine, Oil & Gas Industry Equipment

Oil & gas industries require specialized offshore and hazardous area equipment

- ✔ Marine Safety Equipment – Life jackets, immersion suits, rescue boats, VHF radios.
- ✔ Oil & Gas Equipment – Spill containment booms, flame arrestors, pressure regulators.
- ✔ Offshore & Hazardous Area Solutions – ATEX-rated explosion-proof lighting, EX-rated control panels.
- ✔ Pipeline & Industrial Process Equipment – Heat exchangers, steam traps, filtration systems

# Marine, Oil & Gas Industry Equipment

Marine Suit

Gas Detector

Anemometer

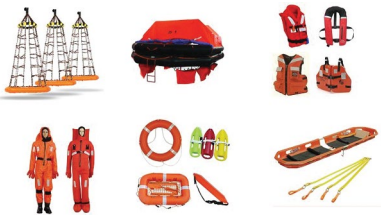

Sound Level Meter

Heat Index Stopwatch

Tire Pressure Gauge

Marine Safety Equipment

Oil Spill Response Kits

Oilfield Supplies

# Facility, Industry Maintenance & General Supplies

Supporting industrial operations through maintenance and worksite essentials

- ✔ Industrial Cleaning & Waste Management – Absorbents, degreasers, spill bins, industrial vacuums.
- ✔ Storage & Workplace Organization – Tool cabinets, shelving, mobile workstations.
- ✔ Lubricants, Adhesives & Industrial Chemicals – Greases, anti-seize, epoxies, thread lockers.
- ✔ Signage & Labeling Solutions – Engraved plates, industrial barcodes, safety signs.
- ✔ Office, Furniture & General Industrial Supplies – Office desks, filing cabinets, stationery.
